

BEWARE BNC Connector (Full Brass) – Pack of 50

Model: BW-BNC

Product Overview

The BEWARE BNC Connector Full Brass – Pack of 50 is designed for secure and stable CCTV video connections in professional surveillance systems. Built with solid full brass construction, these connectors provide excellent conductivity, durability, and corrosion resistance. The twist-lock bayonet design ensures firm connectivity, making them ideal for CCTV installations in homes, offices, retail shops, and commercial environments.

Strong, Durable & Corrosion Resistant

Ideal for Bulk CCTV Installations

Clear & Reliable Transmission

Firm & Stable Connection

Quick & Hassle-Free Fitting

Supports RG59/RG6 & CCTV Systems

KEY FEATURES
