

BEWARE DC Power Extension Cable – Pack of 50

Model: BW-DC

Product Overview

The BEWARE DC Power Cable - Pack of 50 is designed to provide stable and reliable 12V power connections for CCTV cameras and electronic devices. Featuring standard 5.5mm × 2.1mm male-to-female connectors, it ensures universal compatibility with most CCTV power adapters. Its durable PVC insulation and flexible design make it ideal for professional CCTV installations and everyday electronic power extensions.

**Ideal for Bulk
CCTV Installations**

**Stable & Reliable
Power Supply**

**Secure Power
Extension**
