

# BEWARE 4 Camera CCTV Security Combo Kit

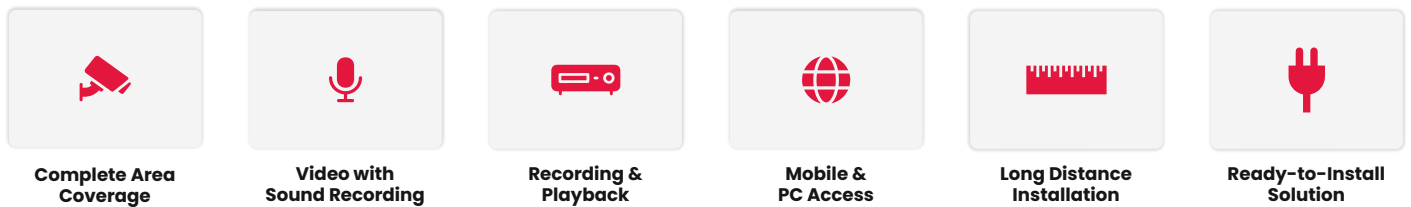

Model - BW-4CSHD

## Product Overview

The BEWARE CCTV Combo Kit is a complete surveillance solution designed for homes, offices, shops, and commercial spaces. This package includes 4 high-definition 2.4MP cameras (2 Bullet + 2 Dome) with built-in audio support, delivering clear video footage along with sound recording.

The included 4 Channel DVR provides seamless recording, playback, and remote monitoring via mobile devices and PC. This ready-to-install package comes with all essential accessories including CCTV cable, BNC connectors, DC connectors, and SMPS power supply, making it an ideal security solution for indoor and outdoor monitoring.

### KEY FEATURES

- **Complete CCTV Security Kit** - Includes cameras, DVR, cable, connectors & power supply
- **2.4MP HD Cameras with Audio** - Delivers clear video recording with sound support
- **Bullet + Dome Camera Setup** - Ideal for indoor and outdoor surveillance coverage
- **Remote Viewing Support** - Monitor your premises anytime through mobile and PC
- **90 Meter Cable Included** - Long-distance installation capability
- **Easy Installation** - Plug-and-play setup with all required accessories included
